Hello Josie,

Thank you for keeping me informed and updated on the campers and their taking over in our area.

I have 2 trailers parked outside our complex for over a week now.

Also fires are being started to cook in the wash underneath the overpass at Orcas and Foothill. People have set up camp there with trash everywhere. attached pics.

I hope there will be help with this before long.

Thanks for your help.

I will attach the rest of the photos in another email.

Good Morning Jude,

Attached is the picture of the home less encampment I have calling you on, they are by the nursery on Orcas, as soon as you go under the 210 freeway underpass (on Orcas), it is on the right side. Right by the 210 Freeway and the wash, I know there are more encampments but do not want them to see me as most of them know me. Shelly is the owner of the nursery and you can talk to her any time, let me know if you need me come by with you.

Thanks
